

THE BEAR CREEK ADVENTURE
HIGH ADVENTURE PREPAREDNESS
BEAR CREEK SCOUT RESERVATION, HUNT, TX
APRIL 27-29, 2012

The High Adventure Committee of the Alamo Area Council saw as one of our needs for preparation to Philmont and other backpacking High Adventures is to sponsor crews an opportunity to experience a high adventure backpacking trek in our own "Hill Country". The Bear Creek Adventure (BCA) will offer those crews preparing for Philmont, or for those crews that want the high adventure and low impact camping a place and time for this to happen for them and their crew. We will try to duplicate a Philmont experience at The Bear Creek Adventure by applying a primitive camping environment as possible.

The BCA offers a Philmont bound expertise and training from the Council's High Adventure Committee covering backpacking, trail cooking, stove safety, first aid, equipment selection and many questions that need answers. The cost is \$10.00, which will cover the patch and Friday night Cracker Barrel. Your crew will provide for meals for the weekend.

Any questions please contact: John Echevarria, (210) 341-8611 ext. 123 Email: jechevar@bsamail.org
Or Jim Causey, (210) 859-8200 Email jimbosa@juno.com
