**FAMILY ENROLLMENT SIGN-UP SHEET**

UNIT TYPE & # \_\_\_\_\_ DISTRICT NAME \_\_\_\_\_

Dear Scouter,

To insure the quality of Scouting in the Alamo Area Council, a *Friends of Scouting* fundraising campaign is conducted annually among families of Cub Scouts, Boy Scouts, and Venturers to seek financial support for the program in which their children participate.

This happens early in the calendar year, starting with a *Friends of Scouting Family* presentation on the role *Friends of Scouting* plays in delivering the Scouting program to every family. This presentation lasts about ten minutes, and usually takes place at a Pack Meeting, Court of Honor or other appropriate time.

Please consider setting a date now for your *Friends of Scouting Family* presentation to ensure a successful campaign and the continuing quality of Scouting. Those who make a gift equivalent to providing services and support for one boy in the program for one year will receive a special commemorative council shoulder patch as a token of our appreciation, while units participating receive a unit flagpole streamer based upon their performance in the campaign.

**PLEASE FAX THIS FORM TO COUNCIL SERVICE CENTER (210) 341-7641**
